Re: Form 8871

To Whom It May Concern:

This association is aware of the recent passage of Public Law 106-230, and the requirement that certain "political organizations" complete and file Form 8871. This association is uncertain whether it meets the definition of a political organization in the new law, however, we are filing the attached Form 8871 at this time, while we continue to work with our legal and tax advisors on the applicability of these requirements. Depending on the outcome of our review, we reserve the right to discontinue filing Form 8871, or other related forms, in the future.

Any information the Internal Revenue Service can provide us on the scope and extent of the applicability of Public Law 106-230 to state trade associations and their political action committees, would be greatly appreciated. A self-addressed stamped envelope is enclosed for your use in forwarding such information to us. Thank you.

Sincerely,

A handwritten signature in black ink, appearing to read "Steven G. Kost". The signature is fluid and cursive.
